IAPMO Seeks Technical Correlating Committee Members

Ontario, Calif. (March 18, 2016) — The International Association of Plumbing and Mechanical Officials (IAPMO®) is seeking volunteers to participate on the Technical Correlating Committee (TCC) to work toward the correlation of the 2018 editions of the *Uniform Plumbing Code (UPC)*, *Uniform Mechanical Code (UMC)*, *Uniform Swimming Pool, Spa, and Hot Tub Code (USPSHTC)* and *Uniform Solar Energy and Hydronics Code (USEHC)*. **The deadline to submit an application is April 29, 2016.**

Members are being sought in the following categories: manufacturer, user, installer/maintainer, labor, research/standards/testing laboratory, enforcing authority, consumer, and special expert. This committee is being assembled in accordance with the Regulations Governing Committee Projects of the *UPC* and *UMC*; and the Regulations Governing Consensus Development of the *USPSHTC* and *USEHC*.

The TCC is the body responsible for resolving conflicts, achieving correlation among the recommendations of the technical committees, and correcting errors and omissions. All persons wishing to apply to the TCC must complete an application for Technical Correlating Committee Membership (see link below), including a résumé of qualifications.

Anyone interested in serving can complete the application online at the Code Development web page:
