

## Water Treatment Systems Operations (MEP Fundamentals)

**Saturday, June 11 • 8:00 am - 11:00 am • 2016 Florida WQA Convention**

This workshop is for anyone new to professional certification, or for those who currently hold a professional certification title and are pursuing a new title. Attendees can expect to learn about the chemistry, capacities, design and performance of several water treatment technologies. Admission is free for convention attendees. If you've been meaning to start on WQA's Modular Education Program but just haven't gotten around to it, this workshop is the perfect opportunity. Enroll in the MEP, register for the workshop, bring your laptop, and work through the learning activities with the rest of the group.

Advance registration is required. All attendees should bring a laptop computer (Apple or PC).

**Reserve your space (a \$125 value) today! The workshop is free for FWQA Convention attendees.**
